

First – I would tell him/her that you should make sure you should keep folder. Pencil boxes keep your stuff where you can find it

Then – I would tell them to make sure they have the stuff they need like pencils, crayons. Then I would tell them to put what you had and put it neat.

Finally – I would tell them to make sure There unfinish work go into There folders

Organization/Purpose -1

- No introduction or conclusion
- Some transitional strategies (First, Then, Finally)
- Focus maintained throughout (organization of stuff)
